

## Specialty-specific References for DIOs: Expected Time for Faculty

### ACGME

Common Program Requirements are in bold

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Faculty”
<b>Allergy and Immunology</b>	II.B.1.c).(4) Each core faculty member must devote at least 15 hours per week to allergy and immunology resident education. <sup>(Detail)</sup>  II.B.1.c).(4).(a) This time may include overseeing clinical activity, conferences, research activity or any other aspect of the curriculum. <sup>(Detail)</sup>
<b>Anesthesiology</b>	<i>None</i>
Adult Cardiothoracic Anesthesiology	II.B.1.a) Full-time faculty members must devote all professional time to the program. <sup>(Core)</sup>
Anesthesiology Critical Care Medicine	<i>None</i>
Obstetric Anesthesiology	<i>None</i>
Pediatric Anesthesiology	<i>None</i>
Regional Anesthesiology and Acute Pain Medicine	<i>None</i>
<b>Colon and Rectal Surgery</b>	<i>None</i>
<b>Dermatology</b>	<i>None</i>
Micrographic Surgery and Dermatologic Oncology	<i>None</i>
<b>Diagnostic Radiology</b>	I.A.1. There must be support for a least one associate/assistant program director for programs with

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Faculty”
	<p>resident complements 32 or more. <sup>(Core)</sup></p> <p>I.A.2. The program director and, if applicable, the associate/assistant program director(s), must be provided appropriate protected time to fulfill the responsibilities essential in meeting the educational goals of the program. <sup>(Core)</sup></p> <p>This protected time must total at least:</p> <p>I.A.2.a) 0.3 full-time equivalent (FTE) for programs approved for eight to 15 residents; <sup>(Core)</sup></p> <p>I.A.2.b) 0.4 FTE for programs approved for 16 to 23 residents; <sup>(Core)</sup></p> <p>I.A.2.c) 0.5 FTE for programs approved for 24-31 residents; <sup>(Core)</sup></p> <p>I.A.2.d) 0.6 FTE for programs approved for 32-39 residents; <sup>(Core)</sup></p> <p>I.A.2.e) 0.7 FTE for programs approved for 40-47 residents; <sup>(Core)</sup></p> <p>I.A.2.f) 0.8 FTE for programs approved for 48 to 55 residents. <sup>(Core)</sup></p> <p>I.A.2.g) 0.9 FTE for programs approved for 56 to 63 residents; <sup>(Core)</sup></p> <p>I.A.2.h) 1.0 FTE for programs approved for 64 to 71 residents; and, <sup>(Core)</sup></p> <p>I.A.2.i) 1.1 FTE for programs approved for 72 or more residents. <sup>(Core)</sup></p> <p>II.B.2.c).(4) Core faculty members must devote at least 0.50 percent FTE in their practice domain. <sup>(Core)</sup></p>
Abdominal Radiology	<i>None</i>
Musculoskeletal Radiology	<i>None</i>
Neuroradiology	II.B.1.a).(1) These faculty or staff members must spend at least 80% of their time in the practice of neuroradiology. <sup>(Detail)</sup>
Nuclear Radiology	I.A.1.b) The sponsoring institution and participating sites must provide salary support or protected time for each associate program director. <sup>(Core)</sup>
Pediatric Radiology	<i>None</i>
Vascular Interventional	<i>None</i>

	throughout the year to residency training. <sup>(Core)</sup>
Adult Congenital Heart Disease	II.B.8.b) KCF must be attending physicians who dedicate, on average, 10 hours per week throughout the year to the education program. <sup>(Core)</sup>
Advanced Heart Failure/Transplant Cardiology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Cardiovascular Disease	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Clinical Cardiac Electrophysiology	II.B.7.b) KCF must be attending physicians who dedicate, on average, 10 hours per week throughout the year to the education program. <sup>(Core)</sup>
Critical Care Medicine	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Endocrinology, Diabetes and Metabolism	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Gastroenterology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Hematology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Hematology and Medical Oncology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Infectious Disease	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Interventional Cardiology	II.B.8.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Medical Oncology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Nephrology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the

	year to the program. <sup>(Core)</sup>
Pulmonary Critical Care	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Pulmonary Disease	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Rheumatology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Transplant Hepatology	II.B.7.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
<b>Interventional Radiology</b>	<i>None</i>
<b>Medical Genetics and Genomics</b>	<i>None</i>
Medical Biochemical Genetics	<i>None</i>
<b>Neurological Surgery</b>	II.C.1. There must be a full-time designated program coordinator with financial support from the sponsoring institution. <sup>(Core)</sup>
<b>Neurology</b>	<i>None</i>
Child Neurology	<i>None</i>
Clinical Neurophysiology	<i>None</i>
Epilepsy	<i>None</i>
Neurodevelopmental Disabilities	<i>None</i>
Vascular Neurology	<i>None</i>
<b>Nuclear Medicine</b>	<i>None</i>
<b>Obstetrics and</b>	<i>None</i>

<b>Specialty Name</b>	<b>Specialty-Specific Requirements Referencing “Expected Time for Faculty”</b>
<b>Gynecology</b>	
Gynecologic Oncology	<i>None</i>
Maternal-Fetal Medicine	<i>None</i>
Reproductive Endocrinology and Infertility	<i>None</i>
<b>Ophthalmology</b>	<i>None</i>
Ophthalmic Plastic and Reconstructive Surgery	<i>None</i>
<b>Orthopaedic Surgery</b>	II.B.2.a) There must be a minimum of three faculty members, including the program director, each of whom devotes at least 20 hours per week to the program. These faculty members must have current ABOS certification in the specialty. <sup>(Core)</sup>
Adult Reconstructive Orthopaedic Surgery	<i>None</i>
Foot and Ankle Orthopaedic Surgery	<i>None</i>
Musculoskeletal Oncology	<i>None</i>
Orthopaedic Sports Medicine	<i>None</i>
Orthopaedic Trauma	<i>None</i>
Pediatric Orthopaedic Surgery	<i>None</i>
Surgery of the Spine	<i>None</i>

<b>Specialty Name</b>	<b>Specialty-Specific Requirements Referencing “Expected Time for Faculty”</b>
<b>Osteopathic Neuromusculoskeletal Medicine</b>	<i>None</i>
<b>Otolaryngology</b>	<i>None</i>
Neurotology	<i>None</i>
Pediatric Otolaryngology	<i>None</i>
<b>Pathology</b>	<i>None</i>
Blood Banking/Transfusion Medicine	II.B.2.a) The non-physician and physician faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Chemical Pathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Cytopathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Forensic Pathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Hematopathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Medical Microbiology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Neuropathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Pediatric Pathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>
Selective Pathology	II.B.2.a) The faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work and teaching. <sup>(Core)</sup>

Addiction Medicine (subspecialty of Anesthesiology, Emergency Medicine, Family Medicine, Internal Medicine, Obstetrics and Gynecology, Pediatrics, Preventive Medicine, or Psychiatry)	<i>None</i>
Brain Injury Medicine (subspecialty of Child Neurology, Neurology, Physical Medicine and Rehabilitation, or Psychiatry)	<i>None</i>
Clinical Informatics (subspecialty of Anesthesiology, Radiology, Emergency Medicine, Family Medicine, Internal	<i>None</i>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Faculty”
Medicine, Medical Genetics and Genomics, Pathology, Pediatrics, or Preventive Medicine)	
Dermatopathology (subspecialty of Dermatology or Pathology)	<i>None</i>
Endovascular Surgical Neuroradiology (subspecialty of Child Neurology, Neurological Surgery, Neurology, or Radiology)	II.B.4.b) The physician faculty must concentrate at least 50% of their practice in endovascular surgical neuroradiology therapy. <sup>(Core)</sup>
Female Pelvic Medicine and Reconstructive Surgery (subspecialty of Obstetrics and Gynecology or Urology)	<i>None</i>
Geriatric Medicine (subspecialty of Family Medicine or Internal Medicine)	II.B.7.a) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Hand Surgery (subspecialty of Orthopaedic Surgery, Plastic Surgery, or Surgery)	<i>None</i>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Faculty”
Hospice and Palliative Medicine (subspecialty of Anesthesiology, Family Medicine, Internal Medicine, Pediatrics, Psychiatry, or Radiation Oncology)	None
Internal Medicine-Pediatrics (Combined program for Internal Medicine and Pediatrics)	II.B.6.b) [Core faculty] must dedicate an average of at least 15 hours per individual per week throughout the year to residency training; <sup>(Core)</sup>
Medical Toxicology (subspecialty of Emergency Medicine or Preventive Medicine)	II.B.2.a) There must be a minimum of two medical toxicology physician faculty members based at the primary clinical site, including the program director, who together devote a minimum of 10 hours per week of direct instruction to the fellows, and who are readily available to the fellows for consultations on cases. <sup>(Core)</sup>
Molecular Genetic Pathology (subspecialty of Medical Genetics and Genomics or Pathology)	II.B.2.a) The members of the non-physician and physician faculty, including the program director, must, in aggregate, devote at least 20 hours per week to fellowship-related clinical work, teaching, and administration. <sup>(Core)</sup>
Neuromuscular Medicine (subspecialty of Child Neurology, Neurology, or Physical Medicine and Rehabilitation)	None
Pain Medicine (subspecialty of Anesthesiology, Child	None

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Faculty”
Neurology, Neurology, or Physical Medicine and Rehabilitation)	
Sleep Medicine (subspecialty of Child Neurology, Internal Medicine, Neurology, Pediatrics, or Psychiatry)	II.B.8.b) KCF are attending physicians who dedicate, on average, 10 hours per week throughout the year to the program. <sup>(Core)</sup>
Sports Medicine (subspecialty of Emergency Medicine, Family Medicine, Pediatrics, or Physical Medicine and Rehabilitation)	II.B.6.a) The sports medicine faculty must devote, on average, at least 10 hours per week of his or her professional time to teaching and supervising the sports medicine fellows. <sup>(Detail)</sup>
Undersea and Hyperbaric Medicine (subspecialty of Emergency Medicine or Preventive Medicine)	<i>None</i>
