

Specialty-specific References for DIOs: Expected Time for Program Director

ACGME

Common Program Requirements are in bold

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
Allergy and Immunology	II.A.3.e) Qualifications of the program director must include leadership qualities and sufficient time and effort devoted to the program to provide day-to-day continuity of leadership and to fulfill the responsibilities of meeting the educational goals of the program. ^(Detail)
Anesthesiology	II.A.4.p) The program director must receive protected time to lead the program, including time for administrative duties, curriculum and faculty development, Milestone validation, and education research, as well as didactic and other resident education activities such as simulation. ^(Core) II.A.4.p).(1) Programs with one-20 residents must provide a minimum of 20 percent protected time for the program director. ^(Core) II.A.4.p).(2) Programs with more than 20 residents must provide a minimum of 40 percent protected time for the program director. ^(Core)
Adult Cardiothoracic Anesthesiology	II.A.3.e) The program director must devote at least 50 percent of his or her clinical, educational, administrative, and academic time to cardiothoracic anesthesiology. ^(Detail)
Anesthesiology Critical Care Medicine	II.A.3.e) The program director must devote a minimum of 50 percent of his or her time to clinical, educational, administrative, and academic activities in critical care medicine. ^(Core)
Obstetric Anesthesiology	II.A.3.e) The program director must devote at least 50 percent of his or her professional effort to the anesthetic care of pregnant women. ^(Core) II.A.3.f) The program director must devote at least 20 percent of his or her professional effort to the, academic, educational, and administrative (non-clinical), aspects of the fellowship program. ^(Core)
Pediatric Anesthesiology	II.A.3.e) The program director must devote at least 50 percent of his or her clinical, educational, administrative, and academic time to pediatric anesthesiology. ^(Core)
Regional Anesthesiology and Acute Pain Medicine	<i>None</i>
Colon and Rectal Surgery	I.A.1. The sponsoring institution must provide at least 10% protected time to the program director

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
	<p>for administrative, non-teaching duties related to the program. ^(Detail)</p> <p>I.A.2. Salary support for the program director’s administrative time must be provided by the sponsoring institution, foundation or practice, depending on the institutional setting. ^(Core)</p> <p>I.A.3. The program director must not be required to generate clinical or other income to provide this administrative support. ^(Detail)</p> <p>II.A.4.s) The program director must dedicate at least 10% of his or her time to directing the program, in addition to teaching. ^(Detail)</p>
Dermatology	<i>None</i>
Micrographic Surgery and Dermatologic Oncology	II.A.3.e) The program director must commit at least 24 hours per week to the administrative and teaching tasks inherent to achieving the educational goals of the program. ^(Detail)
Diagnostic Radiology	<i>None</i>
Abdominal Radiology	II.A.4. The program director should spend at least 80% of his/her professional time in <i>[the subspecialty]</i> , and devote sufficient time to fulfill all responsibilities inherent to meeting the educational goals of the program. ^(Detail)
Musculoskeletal Radiology	II.A.4. The program director should spend at least 80% of his/her professional time in <i>[the subspecialty]</i> , and devote sufficient time to fulfill all responsibilities inherent to meeting the educational goals of the program. ^(Detail)
Neuroradiology	II.A.4. The program director must be a credentialed member of the radiology faculty and must spend at least 80% of his or her time in the practice of neuroradiology. ^(Detail)
Nuclear Radiology	II.A.4. The program director should spend at least 80% of his/her professional time in <i>[the subspecialty]</i> , and devote sufficient time to fulfill all responsibilities inherent to meeting the educational goals of the program. ^(Detail)
Pediatric Radiology	II.A.4. The program director should spend at least 80% of his/her professional time in <i>[the subspecialty]</i> , and devote sufficient time to fulfill all responsibilities inherent to meeting the educational goals of the program. ^(Detail)
Vascular Interventional Radiology	II.A.4. The program director should spend at least 80% of his/her professional time in <i>[the subspecialty]</i> , and devote sufficient time to fulfill all responsibilities inherent to meeting the educational goals of the program. ^(Detail)

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
Emergency Medicine	<p>I.A.1.a) The sponsoring institution and participating sites must provide salary support or protected time for the program director. ^(Core)</p> <p>II.A.4.a).(1).(a) The program director must not work clinically more than 20 hours per week, on average, or 960 hours per year, whichever is less. ^(Core)</p>
Emergency Medical Services	<p>I.A.1.a) The sponsoring institution and participating sites must provide at least 25 percent salary support or equivalent protected time for program directors. ^(Detail)</p> <p>II.A.3.e) The program director must dedicate an average of 10 hours per week of his or her professional effort to the fellowship, with sufficient time for administration of the program. ^(Core)</p>
Pediatric Emergency Medicine	<i>None</i>
Family Medicine	<p>I.A.4.a) The sponsoring institution and participating sites must provide at least 70 percent salary support (at least 28 hours per week) for the program director as protected time for administration, evaluation, teaching, resident precepting, and scholarship. ^(Core)</p> <p>II.A.4.p) The program director must dedicate at least 70 percent of his or her time, (at least 28 hours per week or 1400 hours per year) to program administration, evaluation, teaching, resident precepting, and scholarship. ^(Core)</p> <p>II.A.4.p).(1) Time spent in direct patient care without the presence of residents must not be included in the 1400 hours per year total. ^(Detail)</p>
Internal Medicine	<p>I.A.2.a) The sponsoring institution and participating sites must provide at least 50% salary support (at least 20 hours per week) for the program director. ^(Detail)</p> <p>II.A.4.q) The program director must dedicate no less than 50% (at least 20 hours per week) of his or her professional effort to the administrative and educational activities of the internal medicine educational program and receive institutional support for this time. ^(Detail)</p>
Adult Congenital Heart Disease	<p>I.A.2. The sponsoring institution must provide the program director with adequate support (depending on the size of the program, at least 25-50 percent of the program director’s salary, or protected time) for the administrative activities of the program. ^(Core)</p> <p>II.A.3.f) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Advanced Heart	I.A.2. The sponsoring institution must provide the program director with adequate support for the

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
Failure/Transplant Cardiology	<p>administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.a) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.3.f) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Cardiovascular Disease	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Clinical Cardiac Electrophysiology	<p>I.A.2. The Sponsoring Institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.a) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b) The Sponsoring Institution should provide the program director with adequate support (depending on the size of the program, at least 25-50 percent of the program director’s salary, or protected time) for the administrative activities of the program. ^(Detail)</p> <p>II.A.4.f) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Core)</p>
Critical Care Medicine	<p>I.A.4.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.4.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
	<p>I.A.4.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Endocrinology, Diabetes and Metabolism	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Gastroenterology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Hematology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>

Hematology and Medical Oncology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Infectious Disease	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Interventional Cardiology	<p>I.A.2. The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.a) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.3.f) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Medical Oncology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
	<p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Nephrology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Pulmonary Critical Care	<p>I.A.4.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.4.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.4.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Pulmonary Disease	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
Rheumatology	<p>I.A.2.b) The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.b).(1) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b).(2) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.4.r) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Transplant Hepatology	<p>I.A.2. The sponsoring institution must provide the program director with adequate support for the administrative activities of the fellowship. ^(Core)</p> <p>I.A.2.a) The program director must not be required to generate clinical or other income to provide this administrative support. ^(Core)</p> <p>I.A.2.b) This support should be 25-50% of the program director’s salary, or protected time, depending on the size of the program. ^(Detail)</p> <p>II.A.3.f) The program director must dedicate an average of 20 hours per week of his or her professional effort to the fellowship, including time for administration of the program. ^(Detail)</p>
Interventional Radiology	<p>I.A.1. The program director of the integrated program, must be provided the equivalent of at least 20 percent of protected time in order to fulfill the responsibilities essential to meeting the educational goals of the program. ^(Core)</p> <p>I.A.2. The program director of the independent program, must be provided sufficient protected time in order to fulfill the responsibilities essential to meeting the educational goals of the program. ^(Core)</p> <p>II.A.3.d) Qualifications of the program director must include commitment of at least 80 percent of his or her clinical time in the specialty and to the administrative and educational activities of the interventional radiology program; ^(Core)</p>
Medical Genetics and Genomics	<p>I.A.1. The program director must be provided at least one full day per week or 0.2 full time equivalent (FTE) protected time and financial support for his or her educational and administrative responsibilities to the program. ^(Core)</p>

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
Medical Biochemical Genetics	<i>None</i>
Neurological Surgery	<i>None</i>
Neurology	I.A.1. At a minimum the sponsoring institution must provide time and funding to support at least 20% FTE and should provide an additional 1% per trainee. ^(Detail)
Child Neurology	I.A.3. At a minimum, the sponsoring institution must provide at least 20 percent full-time equivalent (FTE) time and funding support for the program director with an additional one percent per resident. ^(Core)
Clinical Neurophysiology	I.A.1. At a minimum, the sponsoring institution must provide time and funding for at least 10 percent full-time equivalent (FTE) salary support for the program director. ^(Core) I.A.1.a) For those programs with four or more fellows, the sponsoring institution should provide at least 15 percent FTE salary support. ^(Core)
Epilepsy	I.A.1. The sponsoring institution must provide time and funding to include at least 10 percent salary support for the program director. ^(Core) I.A.1.a) For programs with four or more fellows, the sponsoring institution should provide at least 15 percent salary support. ^(Core)
Neurodevelopmental Disabilities	I.A.3. At a minimum, the sponsoring institution must provide at least 20 percent full-time equivalent (FTE) time and funding support for the program director with an additional one percent per resident. ^(Core)
Vascular Neurology	I.A.3. The sponsoring institution must provide time and funding to include at least 10 percent salary support for the program director. ^(Core) I.A.3.a) For programs with four or more fellows, the sponsoring institution must provide at least 15 percent salary support. ^(Core)
Nuclear Medicine	I.A.1. The program director must be provided with no less than the equivalent of one half-day per week of protected time in order to fulfill the responsibilities inherent to carrying out the administrative activities and meeting the educational goals of the program. ^(Core)
Obstetrics and Gynecology	I.A.1. The program director must dedicate no less than 20 hours per week of his or her professional effort to the administrative and educational activities of the Obstetrics and

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
	Gynecology educational program and receive institutional support for this time. ^(Core)
Gynecologic Oncology	I.A.1.d) The Sponsoring Institution must ensure that the program director has financial support for at least eight hours per week of protected time to conduct the educational and administrative aspects of the program. ^(Core)
Maternal-Fetal Medicine	I.A.2. The Sponsoring Institution and the program must ensure that the program director has financial support for at least eight hours per week of protected time to conduct the educational and administrative responsibilities of the program. ^(Core)
Reproductive Endocrinology and Infertility	I.A.2. The Sponsoring Institution and the program must ensure that the program director has financial support for at least eight hours per week of protected time to conduct the educational and administrative responsibilities of the program. ^(Core)
Ophthalmology	<i>None</i>
Ophthalmic Plastic and Reconstructive Surgery	<i>None</i>
Orthopaedic Surgery	<i>None</i>
Adult Reconstructive Orthopaedic Surgery	<i>None</i>
Foot and Ankle Orthopaedic Surgery	<i>None</i>
Musculoskeletal Oncology	<i>None</i>
Orthopaedic Sports Medicine	<i>None</i>
Orthopaedic Trauma	<i>None</i>
Pediatric Orthopaedic Surgery	<i>None</i>
Surgery of the Spine	<i>None</i>
Osteopathic Neuromusculoskeletal Medicine	I.A.1. The sponsoring institution and participating sites must provide the program director with at least 20 percent salary support, 0.2 FTE (at least eight hours per week) as protected time for

Specialty Name	Specialty-Specific Requirements Referencing “Expected Time for Program Director”
	<p>administration of the program. ^(Core)</p> <p>II.A.4.q) The program director must dedicate at least 20 percent of his or her time, 0.2 FTE (at least eight hours per week or 400 hours per year) to program administration. ^(Core)</p> <p>II.A.4.q).(1) Time spent in direct patient care without the presence of residents must not be included in the 400-hour total. ^(Core)</p>
Otolaryngology	<p>I.A.1. The sponsoring institution must provide salary support or equivalent protected time for the program director as follows: ^(Core)</p> <p>I.A.1.a) a minimum of 10 percent for programs with an approved complement of five or fewer residents; ^(Detail)</p> <p>I.A.1.b) a minimum of 15 percent for programs with an approved complement of six to 15 residents; and, ^(Detail)</p> <p>I.A.1.c) a minimum of 20 percent for programs with an approved complement of 16 or more residents. ^(Detail)</p>
Neurotology	<i>None</i>
Pediatric Otolaryngology	<i>None</i>
Pathology	<p>I.A.2. The sponsoring institution and program must provide administrative and financial support for the program director, and for an associate program director, if applicable. ^(Core)</p> <p>II.A.4.q) devote a minimum of 20 hours per week, averaged over four weeks, to the program, to include clinical work and research project work with residents, teaching, and residency-related administration. ^(Detail)</p> <p>II.A.4.q).(1) Programs with more than 20 residents should have an associate program director to assist the program director with program administration and management. ^(Detail)</p>
Blood Banking/Transfusion Medicine	II.A.3.f) The program director must devote a minimum of 10 hours per week of his or her time, averaged over four weeks, to the fellowship program, to include clinical work with fellows, teaching, research, and fellowship-related administration. ^(Core)
Chemical Pathology	II.A.3.f) The program director must devote a minimum of 10 hours per week of his or her time, averaged over four weeks, to the fellowship program, to include clinical work with fellows, teaching, research, and fellowship-related administration. ^(Core)
